

SPRINGFIELD SCHOOL DISTRICT  
Springfield, Pennsylvania 19064

Students entering kindergarten or new enterers into the first grade (those students who did not attend kindergarten in a public or parochial school in the state of Pennsylvania) are required to have a dental examination. This requirement can be fulfilled if your child has had a dental examination within four (4) months prior to school entrance. If not, an evaluation will be done in school in the early part of the school year.

Please complete or have your dentist complete one (1) of the forms and return it to the school principal prior to the beginning of school in September.
