Saint Francis of Assisi Parish Logo

*The cross is placed at the center of this symbol because the cross of
Jesus Christ*

is at the heart of our faith.

The wheat represents the Eucharist.

*As a Catholic community, Eucharist is central to who we are –
a Christ-centered people called to receive Eucharist and
be Eucharist to one another.*

*Following the Lord Jesus and in the spirit of Saint Francis of Assisi,
the hands are ones of service
reaching out to those in need.*

*They are also hands of welcome,
receiving and accepting one another in our diversity.*

Pax et Bonum (peace and every good) is a Franciscan greeting.

Francis of Assisi instructed the Brothers to greet one another this way.

Today this greeting is found above doorways in Assisi.

*The circle that surrounds this logo represents the never-ending circle
of Christian love.*

*As the parish of Saint Francis of Assisi,
we celebrate all this symbol represents
and pray that as a Eucharistic community,
we may live its meaning
in our daily lives.*
